Hawkins Road

Stoplight

San Luis Rey Pkwy.

Participants will be dropped off in front of Rockwood Summit for unit check in. Units may bring in their guard or battery equipment and their floor with them when they check in. All buses and equipment vehicles will be directed to our satellite parking lots after unit drop-off. Satellite lots are less than ½ mile from the high school, and a continuous shuttle bus will run between all three schools to transport drivers. All large props and pit equipment will not be allowed to enter the school until 1 hour before that unit's performance time.
