Dear Winter Guard Instructors:

We are looking forward to you and your students attending Championships at Nixa on March 31st. We think that once you arrive you will find that it is an excellent facility to house such an event. Our entire purpose is to provide the attending units with a relaxed, fun, and educational experience. If there is anything that we can do to make your day go smoother, please let us know.

DIRECTIONS TO NIXA HS...

- From Springfield: Go south on Campbell (HW 160), turn right (west) on Mt. Vernon (HW 14), turn left (south) on Nicholas (HW M), the HS will be on your left about a 1/2 a mile down.

We are extremely proud of our facility and ask your help in reminding your members and crews that we would like to keep it in excellent condition. There should be absolutely no spinning or tossing of any equipment in the school except in the equipment warm-up room and performance area. We also ask that the crews be careful moving props so walls and doors are not damaged. We reserve the right to refuse any equipment that may cause damage to our facility.

There will be concessions available so please feel free to plan your meals while visiting the school.

Again, we are looking forward to having you visit us at Nixa. If there is anything that we can do to make your day easier, please feel free to contact us.

Sincerely,

Craig Finger
Director of Bands
