

Directions and Locations – Fayetteville High School from I-49, head EAST on MLK Jr. Blvd for 1.5 Miles. The school will be located on your left.

Units should check-in at the Performing Arts Center located off of S. Buchanan Avenue.

After unit check-in, equipment and props should be unloaded at the Athletic Complex located off of Stadium Drive, which can now be accessed from the same parking lot as performer unloading.

Bus and Equipment Truck Parking will be north of the school in the parking lots across Bulldog Blvd. This lot is frequently used by FHS Students for parking and is within walking distance. Please plan accordingly for travel time.

Please leave the front parking lots open for spectators.

Depending on the size and type of vehicle, as well as the performance time of the unit, equipment vehicles may remain in the loading areas during performances. Please note: Semis cannot move through the lot loops in front of the school, and should not attempt to do so.

We ask that all props and equipment be unloaded no more than ONE hour prior to performance and be removed immediately following the performance.

PLEASE KEEP IN MIND THERE IS A UNIV. OF ARKANSAS MEN'S BASKETBALL GAME, AND OPENING WEEKEND OF UA BASEBALL. TRAFFIC WILL BE HEAVIER THAN NORMAL. IT IS STRONGLY ADVISED THAT UNITS PLAN EXTRA TRAVEL TIME, AND STAY ON CAMPUS ONCE THEY ARRIVE.
