

FAYETTEVILLE HIGH SCHOOL BULLDOG ARENA
MCCGA Festival Specs and Guidelines

The Bulldog Arena's main gym has seating on three of the four sides. For this performance, there will be upper seating on the front and back sidelines as well as the performer's right end zone. On the lower level, the back side and end zone bleachers will not be utilized. The front side lower level bleachers will be used for this performance and a 5' safety zone enforced on the front sideline only leaving a maximum competition area of 110' x 72'.

Units will enter from the performer's front right and exit from the performer's front left utilizing a vertical timeline.
