Dear Directors,

Missouri State University Bands and the Mid-Continent Color Guard Association would like to welcome you and your members to the Missouri State Winter Guard, Winds, and Percussion Festival. Listed below please find the information needed as you finalize your plans for this event.

LOCATION OF CONTEST: **Hammons Student Center**
 731 Bear Blvd.
 Missouri State University
 Springfield, MO 65897

DATES AND TIMES OF CONTESTS:
Saturday, February 28, 2026
Start Time: 9:37 am

SOME IMPORTANT DETAILS ABOUT OUR FESTIVAL BEING HELD ON A COLLEGE CAMPUS:

- 1) Unlike a high school where you have access to academic hallways for storage, our arena setting at *Hammons Student Center* does not offer the same layout.

Listed as *Performer Area* at Wehr Band Hall: *Storage of personal items will temporary be held in your designated holding space. Performer Area time includes pre-warmup, warm up and performance time. Unit Check In will provide the exact time frame. There will be ample time to collect personal belongings after your performance. All personal belongings must be removed from the holding area, another group will utilize the same space eventually. No storage of personal items will be provided throughout the day.*

- 2) **NOT AVAILABLE:** *The First and Calvary Presbyterian Church parking lot (Corner of Clay and Harrison) is not for use that day. It is a private lot, and they have signs posted that vehicles will be towed.*
- 3) Please be sure your parents and guests attending the festival understand the *Hammons Student Center* is located behind the *Great Southern Bank Arena*. There is a sidewalk between the two buildings that leads to the entrance of *Hammons Student Center*. **We want to avoid the inconvenience for patrons going into *Great Southern Bank Arena* thinking that was the entrance to our festival. We will have signage indicating winter guard festival spectator entrance.**
